## One day Trek

### PICK UP IN KIGALI AND TRAVEL TO RUHENGERI FOR GORILLA TRACKING & BACK

You will be met by Amahoro driver/guide in Kigali at 0430 hrs in the morning and be transferred for a 2 hours' drive to Ruhengeri area the second largest town in Rwanda, with its stunning backdrop of five volcanic mountains – The Virungas. Continue to Kinigi park headquarters – Kinigi to meet your guides for the day. After completing our park formalities, we are embark on a once in a life time experience of tracking mountain gorillas. Once you spot them you are allowed to spend an hour watching your closest long lost cousin. This is perhaps one of the most breathtaking wildlife experiences on earth!!! You get so close to these awesome giant primates. You stare at each other blankly not knowing who to break the long silence first. Tracking the gorillas through the light mountain forest on the slopes of the Virunga is a magical experience. These massive primates are extremely rare, with less than 700 living today. You will get within meters of the family, and be privileged to spend an hour amongst them. The trekking may be fairly strenuous; up to six hours or longer at a relatively high altitude. We encourage for your own enjoyment to make sure that you are perfectly fit and healthy. (We've had people as old as 70years old do gorilla tracking so this should not be a problem; all you need is to ask your driver guide to request a shorter group for you if you cannot trek far)It is important to bring good hiking boots, long trousers, gloves for protection against stinging nettles, some snacks & sweets (for you, not the gorillas) as well as sufficient water as the rain forest gets hot and humid during the day. You will spend one hour with the gorillas, but it is an hour you will never forget. Return to Ruhengeri to freshen up and have lunch.

Later depart for the twin lakes of Bulera & Ruhondo- These are beautiful lakes located at the base of volcano Muhabura and close to the border with Uganda. They are surrounded by steep hills with a backdrop of the Virunga volcanic mountains. These twin lakes are great spots to be visited and used to be referred to as neglected gems but things have changed and Bulera and Ruhondo are a place not worth missing out on. Their deep blue waters ringed by steep hills and tall waterfalls with the outlines of the nearby Virunga Volcanoes provide a spectacular backdrop. thereafter we leave for Kigali arriving late in the afternoon and dropped at you residence/hotel.

End.
